### A Thought on Baptism

In many places the anniversary of Baptism is joyfully kept as a personal feast day, as the true birthday of supernatural life. People observe it by attending Mass, receiving Communion, renewing their baptismal vows, burning the candle of Baptism for a little while, and performing some other acts of devotion during the day. A visit to the parish baptismal font would be most appropriate. Very often, however, the memory of Baptism is rather combined with the celebration of the saint's day whose name was received at the Christening.

### A Reflection from Pope Francis

This Feast of the Baptism of Jesus reminds us of our own Baptism. We too were reborn in Baptism. In Baptism the Holy Spirit came down to remain within us. This is why it is important to know the date of our Baptism. We know our date of birth, but we do not always know the date of our Baptism. And celebrate the date of your Baptism in your heart, every year.
