Life Lessons

During a Sunday Mass, the priest asked the congregation for their intentions. We heard the usual requests to pray for sick people and the acknowledgments for those who helped when a parishioner died. The sombre mood was broken when the last intention was heard.

A woman stood up and said, "My granddaughter turned 17 this week and received her driver's licence.

Let us pray for us all."

This Week We Offer A Special Prayer For ...safety during icy weather

Dear God our Heavenly Father,
please guide and protect us and let
your angels be our companions as we travel this week on our icy
roads;
clothe us with their invisible protection and keep us safe from all
dangers,
collisions, falls or bruises, from our setting out until our return home.
Through Jesus Christ Our Lord,
Amen

Profile: St Ita of Limerick - 15 January

St Ita was born in the south east region of Ireland in County Waterford in 475 and was originally named Deirdre. She died around 570. St Ita moved to Killeedy, Limerick, and founded a community of women dedicated to God. As well as educating those who joined her community as nuns, St Ita also set up a school for boys. She used to teach them that the Lord loves three things in a Christian: "faith in God with a pure heart, a spiritual Christian life with simplicity, and generous love." It is believed that she taught many boys who later became saints- one of them being St. Brendan. St Ita dedicated herself to prayer, fasting, simplicity and spirituality. It is also believed that she performed many miracles. Her feast day is 15 January and she is the co-patron of the Roman Catholic Diocese of Limerick.
