This Week We Offer A Special Prayer On ...The Death of the Beloved

Though we need to weep your loss,
You dwell in that safe place in our hearts,
Where no storm or night or pain can reach you.

Your love was like the dawn
Brightening over our lives
Awakening beneath the dark
A further adventure of colour.

The sound of your voice

Found for us
A new music

That brightened everything.
Though your days here were brief,
Your spirit was live, awake, complete.

Though we cannot see you with outward eyes,
We know our soul's gaze is upon your face,
Smiling back at us from within everything.
Let us not look for you only in memory.

May you continue to inspire us:
To enter each day with a generous heart.
To serve the call of courage and love
Until we see your beautiful face again
In that land where there is no more
separation,

Where all tears will be wiped from our mind,
And where we will never lose you again.

Amen.
