Matthew 4:19

exemplar of this, appealing as he did to the very outcasts of society.

As we live our hum-drum lives, shopping, working, resting, socialising, we, too, can be the disciples of Jesus. We can follow him in a new and dynamic way. All of us are called to be disciples and, through Jesus's example and that of the first disciples, we pray for the grace to stay on that narrow road and seek his presence in all things. Amen.

Life Lessons That Can Be Learned From Noah's Ark

1. Don't miss the boat.
2. Remember that we are all in the same boat.
3. Plan ahead. It wasn't raining when Noah built the Ark.
4. Don't listen to critics; just get on with the job that needs to be done.
5. Build your future on high ground.
6. For safety's sake, always travel in pairs.
7. Speed isn't always an advantage. The snails were on board with the Cheetahs.
8. When you're stressed, float for a while.
9. Remember, the Ark was built by amateurs, the Titanic by professionals.
10. No matter the storm, when you are with God, there's always a rainbow waiting.
